Emergency Medical Trauma Unit

As state-of-the-art innovators, Oshkosh Specialty Vehicles provides the most technologically advanced mobile solutions and medical trailers to the mobile medical world. Oshkosh Specialty Vehicles is committed to providing the highest quality, cost-effective units available, and creates each and every unit with the end-user in mind.

While the Twin I-Beam chassis design and fully welded construction offers unparalleled strength and stability, the interior layout provides a spacious and functional environment to accommodate the needs of both Medical Practitioners and patients.

OSHKOSH SPECIALTY VEHICLES

Emergency Medical Trauma Unit
